

Important Announcement

Date: July 2020

From: Sanjeev Krishan, Executive Vice President
Glenmark Pharmaceuticals Inc., USA [Glenmark]

RE: **EFFECTIVE IMMEDIATELY**
CHARLOTTE™ 24 Fe [Norethindrone Acetate and Ethinyl Estradiol Tablets USP and Ferrous Fumarate Tablets], 1 mg/20 mcg
Generic to Minastrin® 24 Fe

Effective immediately, Glenmark Pharmaceuticals Inc., USA has changed the NDC code and added a tradename for Norethindrone Acetate and Ethinyl Estradiol Tablets USP and Ferrous Fumarate Tablets USP, 1 mg/20 mcg, the generic version of Minastrin® 24 Fe Tablets of Allergan Pharmaceuticals International Limited.

This product will now be named CHARLOTTE™ 24 Fe [Norethindrone Acetate and Ethinyl Estradiol Tablets USP and Ferrous Fumarate Tablets USP], 1 mg/20 mcg under the new NDC below:

Old NDC	NEW NDC	Now with a NEW Trade Name	Package Size
68462037629	68462085229	CHARLOTTE™ 24 Fe [Norethindrone Acetate and Ethinyl Estradiol Tablets USP and Ferrous Fumarate Tablets USP], 1 mg/20 mcg	3 x 28

All pending *and future* orders for this product under the old NDC will be cancelled and removed from our internal system. **This will not affect other products listed on the same purchase order.** We kindly request you make the necessary arrangements within your system to reflect this NDC change and place a replacement order, where applicable, for product with the new NDC. Please note: This is not considered a new product; therefore, an order placed for product bearing the new NDC does not qualify for any *New Product Stocking Fees* or other discounts.

Please be aware that this is **NOT A RECALL** and **NOT A MARKET WITHDRAWAL**. All product that is currently in your possession with the old NDC code can be dispensed as usual up until the expiry date imprinted on the carton.

Please feel free to contact your sales representative or customer service should you have any further questions or concerns.
