

Important Announcement

Date: October 1, 2016

From: Jim Grauso, Executive Vice President
Glenmark Pharmaceuticals Inc., USA [Glenmark]

**RE: ADVANCED NOTICE
Omeprazole Delayed-Release Capsules USP – Capsule Color & NDC Change**

Over the next several weeks, Glenmark will change the NDC code and capsule color for all pack sizes of Omeprazole Delayed-Release Capsules USP, 10 mg, 20 mg and 40 mg.

Please be aware that this is **NOT A RECALL** and **NOT A MARKET WITHDRAWAL**. All product that is currently in your possession with the old NDC code can be dispensed as usual until the expiry date imprinted on the carton.

All pending *and future* orders for this product under the old NDC will remain intact and be distributed as per normal business practices until the existing inventory is depleted. We kindly request you to make the necessary arrangements within your system to reflect this NDC change. We will directly notify you before shipping when we change to the new NDC so you can accommodate this change.

Please feel free to contact your sales representative or customer service should you have any further questions or concerns. We sincerely appreciate your support during this transition.

Please note: This is not considered a new product; therefore, an order placed for product bearing the new NDC does not qualify for any *New Product Stocking Fees* or other discounts.
